

## Woman's Nightmare

No woman's happiness can be complete without children; it is her nature to love and want them as much as it is to love the beautiful and pure.

The critical ordeal through which the expectant mother must pass, however, is so fraught with dread, pain, suffering and danger, that the very thought of it fills her with apprehension and horror. There is no necessity for the reproduction of life to be either painful or dangerous. The use of Mother's Friend so prepares the system for the coming event that it is safely passed without any danger. This great and wonderful remedy is always applied externally, and has carried thousands of women through the trying crisis without suffering.

MORE IMPROVEMENTS

A Warehouse of Large Size Soon to be Erected by the Pacific Creamery Co.

Since the Pacific Creamery company acquired possession of the plant here, formerly known as the Tempe Creamery and Condensed Milk factory, there have been improvements of one kind and another almost constantly under way. The end is not yet in view either, and more improvements will be commenced shortly. The contemplated step is the building of a big warehouse just east of the plant for the purpose of storing such of the product as is not immediately shipped. The storehouse for the present will be 50 by 130 feet and will be constructed that it may be enlarged at any time with little difficulty. The warehouse will occupy the ground upon which the old stable that has seen a good many years' service now stands. The stable will be torn down and another one will be built in a different location. Work on the warehouse will be commenced just as soon as the necessary men and teams to start the work can be secured.

The plant presents a vastly different appearance now from what it did a few months ago. Several coats of paint have been added and much of the machinery that formerly stood exposed to the weather has been covered with galvanized iron. The new warehouse will also be built of this material.

## A GENERAL MOVE

Mr. Quinn and family moved yesterday to their newly acquired property east of town generally known as the Barlow ranch. The Barlow ranch was vacated by J. W. Parry and family, who are taking possession of the Sampson house, and the house on Sixth where Mr. Quinn has been living will be occupied in September by Mrs. E. B. and Miss Josephine Palmer, who will return at that time to open her musical studio.

## CHANGE IN LOCATION OF OSTRICH FARM

The ostriches which have for the past three years been located on the Pickrell ranch are being moved to a new home, the Broadway ranch just opposite Phoenix on the south side of the river. Mr. Moss is engaged in building ten miles of Page wire fence preparatory to the change.

## TREBLE CLEF CLUB

A New Social Organization

For the purpose of a social time a new club has been organized by a member of Tempe young ladies. Meetings are held each Tuesday, the different members entertaining. Their purpose is two-fold: first, a good time, and secondly, light musical and literary study. The club enjoyed a horseback ride to Mesa last Tuesday. The members are Misses Georgia and Jean Quinn, Margaret and Ida Cousner, Emma Miller, Flossie Diers, Carrie Sult, Hazel Hendrix and Emma French.

## GOOD WHEAT CROP

Chas. Holt is threshing wheat this week on the Yaeger ranch south of town and is turning out 2500 pounds to the acre.

## PERSONAL MENTION

Mrs. J. E. Calkins of Phoenix has rented the Listerhager property on Sixth street and will move there at once with the view of patronizing the Normal.

D. J. Buck returned from a month's vacation in Denver. He says Denver is alright but it rained every day and he prefers Arizona's dry climate.

Mrs. Fenton Jones leaves this morning for Flagstaff, where she will visit relatives.

Joe Briebert and family came in yesterday morning from their vacation in Los Angeles and thereabouts.

Miss Carrie Sult spent last night in Phoenix, the guest of Miss Clara Wilson.

Miss Nora Blome returned yesterday from an extended trip along the Pacific coast, visiting friends in Washington and California.

Hornace Griffen leaves this morning for Flagstaff, where he will visit friends.

## WEALTH OF MARICOPA FOR THE YEAR 1907

The Assessment This Year Beats All Records by More Than \$1,500,000.

An abstract of the duplicate of the assessment roll of this county for the year has just been completed by Assessor Luke. It shows that the assessed valuation of all property in the county is \$13,414,572.40 with exemptions amounting to \$252,885. This is a net gain over the assessment of last year of \$1,683,942.79. The assessment for 1906 was \$11,754,882.11, with exemptions amounting to \$276,249.

The following items are shown by the present abstract: Cultivated lands 294,460 acres, valuation \$4,252,455; improvements \$592,780; one productive patented mine (the Relief), valuation \$2,000; improvements \$2,544,446; thirty-six non-productive patented mines \$12,295; town and city lots, \$2,551,095; improvements \$2,062,485; eight banks, \$445,000; 2,570 range horses, \$41,270; 2,474 work horses, \$143,250; 23 stallions, \$4,975; 432 mules, \$17,085; 2,530 beef cattle, \$48,485; 6,265 milk cows, \$156,625; 17,813 range cattle, \$183,485; 362 bulls, \$9,595; 10 asses, \$1550; 18,067 sheep, \$45,165; 3,698 goats, \$5,545; 1,393 swine, \$4,730; 105.22 miles of main line standard gauge railroads, \$1,153,750; 8,123 stands of bees, \$12,288; 3,891 calves, \$19,005; 1,354 ostriches, \$67,700; other property, \$1,545,877.94.

Notwithstanding the increase of the valuation there will not likely be a decrease in the county rate of taxation but on the contrary there will probably be a slight increase. It is not forgotten that the last legislature in its liberality increased the salaries of nearly all county officers and their deputies and otherwise they increased expenses which will have to be met.

## BABY TORTURED BY ITCHING RASH

Face and Feet Covered—Rest Broken and Would Cry Until Tired Out—"Cradle Cap" Added to Baby's Torture—Tries Cuticura Soap and Cuticura Ointment.

## IMMEDIATE RELIEF AND SPEEDY CURE

"My baby was about nine months old when she had rash on her face and feet. Her feet seemed to irritate her most, especially at night. They would cause her to be broken of her rest, and sometimes she would cry until she was tired out. I had always used Cuticura Soap myself and had heard of so many cures by the Cuticura Remedies that I thought I would give them a trial. The improvement was noticeable in a few hours, and before I had used one box of the Cuticura Ointment her feet were well and she had never troubled her since. I also used it to remove what is known as 'cradle cap' from her head, and it worked like a charm as it cleansed and healed the scalp at the same time. Now I keep Cuticura Ointment on hand in case of any little rash or insect bites, as it takes out the inflammation at once. Perhaps this may be the means of helping other suffering babies. Mrs. Hattie Currier, Thomaston, Me., June 9, 1906."

## CUTICURA—THE SET, \$1.

## HOM WO CHONG MAY STAY HIS CASE WAS DISMISSED

The Evidence of His Unlawful Presence Was Not Sufficiently Convincing.

Commissioner Johnstone yesterday afternoon dismissed the case against Hom Wo Chong, the Chinaman brought here from Prescott on the charge of being unlawfully in the country. The commissioner believed that the evidence that the Chinaman had been out of the country was not sufficiently convincing. A part of it was disregarded entirely and while that of Inspector Manning, who claimed to have seen the Chinaman at Tia Juana, Lower California, was evidently delivered in good faith, it appeared to the commissioner that the inspector might have been mistaken. It was certain that he had been mistaken in some parts of his testimony. There was a period during which the Chinaman was unable to furnish proof of his movements, but the commissioner realized that any man might find himself in a similar shape if he were required to say where he was at a certain time.

The commissioner was further influenced by the good record made by Hom Wo Chong during his fifteen years residence in this country and he therefore believed that the United States would not suffer because of his continued presence.

## FRANTZ'S NOMINATION WITHOUT OPPOSITION

The Oklahoma Republican Convention Fills the Chief Places on the First State Ticket.

Guthrie, Okla., Aug. 1.—For governor, Frank Frantz, lieutenant governor, N. G. Turk of Choctaw, I. T. Secretary of State, Thomas Robnett, of Ardmore, I. T. Attorney general, Silas Reid, of El Reno.

With the chief places on the state ticket filled, the Republican state convention took a breathing spell late tonight. Not in the history of the party in Oklahoma has there been tendered such an ovation to a man as greeted the announcement of the nomination of Frantz without opposition. The action was not unexpected in view of the feeble opposition but the realization seemed to carry the convention off its feet. There was little fight on the nominations.

The unexpected occurred when the section in the platform denouncing the Democratic constitution was eliminated and the party merely pledged itself to secure amendments to the document. The platform endorses national and territorial administrations. It denounces the Democratic party for its

## LODZ LABOR WAR.

It Had Bloody Beginning When Strikers and Troops Met.

Lodz, Aug. 1.—The troops encountered the strikers in the center of the city today and thirty were killed. Business is at a standstill. The situation is serious and appears to be the beginning of a big labor war. The unions are prepared for a long struggle. The cause of the outbreak was a number of arrests by the police to break up the unions. Thirty-two thousand men were called out. The committee forced the stores to close, shut the power house and wrecked the street cars. They enforced their orders with armed men.
